The "Goldenberg book" has been used by generations of orchestral mallet players to develop their skills. As well as studies and etudes, this book includes excerpts of major orchestral repertoire for keyboard percussion instruments. This edition, edited by Tony Cirone, includes phrasings that were inherent in the music but not specifically written out. Stickings are also addressed: the original stickings are in uppercase letters, and the added stickings are in lowercase. This book is the primary source for keyboard percussion players to learn technique and orchestral repertoire.

A pupil's tutor on playing the clarinet. This second edition is redesigned and revised, and contains new material, giving extra help where new notes are introduced and at tricky corners. There are new illustrations and re-set music.

Once upon a time in a very busy city, on a very busy street, in two very small apartments, lived... Herman and Rosie. Herman liked playing the oboe, the smell of hot dogs in the winter, and watching films about the ocean. Rosie liked pancakes, listening to old jazz records, and watching films about the ocean. They both loved the groovy rhythm of the city, but sometimes the bustling crowds and constant motion left them lonely, until one night ... A Neal Porter Book

performance. In addition to basic technique, the book features outstanding solo and duet material and fine original technical studies. In the latter stages of the book, the student will progress into the higher register of the clarinet. In addition, new techniques and more advanced key signatures will be presented. Designed to develop superior clarinet students!

Edition and Preface by Javier Lupiáñez The Trio Sonata in G major was independently identified as an early Vivaldian work in 2014 by the Italian scholar, recorder player, and ensemble director Mr. Federico Maria Sardelli and by the Spanish scholar, violin player and ensemble director Mr. Javier Lupiáñez. The piece was recently cataloged as RV 820 in the Vivaldi Catalog and is the earliest known work by Vivaldi. The Trio Sonata presents a different

Vivaldi to the one we are used to. It shows the young Vivaldi: On the one hand, clearly influenced by the masters of the end of 17th century such as Corelli, Bonporti or Torelli, and on the other hand it is easy to perceive that some new and original Vivaldian ideas start to blossom in this early work. The discovery and attribution of this Sonata is very important to understand the roots of Vivaldi's style and the change of musical taste that happened at the beginning of the 18th century.
