institutional framework,
and relevant law
enforcement and
controls. Allowances for
retirees, employees,
public sector workers,
the self-employed, and
the handicapped are all
clearly explained, along
with full details of
claims, adjudication
procedures, and appeals.
Succinct yet eminently
practical, the book will

Read PDF

Directorate

be a valuable resource for lawyers handling social security matters in India. It will be of practical utility to those both in public service and private practice called on to develop and to apply social security law and policy, and of special interest as a contribution to the comparative study of social security systems.
