Once your students have been writing for a while, take a day to have them turn back to the beginning of their journals and read their old writing. Revisiting old journal entries allows students to see how far they've come—in the quality of their writing, the types of subjects they explore, and how they've grown personally over the past few months.

Journal Writing Examples + 10 Bonus Prompts ...

Writing a summary is totally different from writing a journal entry. With that being said, you have to refer to this hyperlink found that serves as a guide. Try to see your journal as “thinking on paper.” Your thoughts don't need to be perfectly constructed or written with the right grammar and punctuation. Instead, try to think of your ...

One of the ways librarians maintain the integrity of their profession is through the creation of a robust body of professional literature. In *The Librarian's Guide to Writing for Publication*, Rachel Singer Gordon speaks to the hidden genius in each of us. Topics covered include, but are not limited to: queries and proposals; increasing your odds of publication; networking and collaboration; marketing and promotion; and the particular demands of authorship in an electronic environment. An appendix contains interviews with several library publishers and editors, covering the gamut of publication outlets. This is a one-stop guide for librarians at any stage of their publishing career.

Includes summarized reports of many bee-keeper associations.
