By Rowland Miller. ISBN10: 1259870510. ISBN13: 9781259870514. Copyright: 2018. Product Details +. Drawing on psychology, family studies, sociology, communication studies, and neuroscience, Intimate Relationships is a comprehensive and current overview of relationship science, written in an engaging and accessible style.

Drawing on psychology, family studies, sociology, communication studies, and neuroscience, Intimate Relationships is a comprehensive and current overview of relationship science, written in an engaging and accessible style. Supported by SmartBookTM, McGraw-Hill Education's adaptive and personalized reading experience, the eighth edition of this best-selling text includes hundreds of new discoveries and findings from the last three years, as well as over 600 new references.

Intimate Relationships, 3rd editon, by Sharon S. Brehm, Rowland S. Miller, Daniel Perlman, and Susan Campbell preserves the personal appeal of the subject matter and vigorous standards of scholarship that made the earlier editions so successful. Written in a unified voice, this text builds on the reader-friendly tone that was established in the first two editions. It presents the key findings on intimate relationships, the major theoretical perspectives, and some of the current controversies in the field. Brehm, Miller, Perlman, and Campbell illustrate the relevance of close relationship science to readers' everyday lives, encouraging thought and analysis. Classic contributions to the field are covered in addition to topics on the leading edge of research.

After decades of failed relationships and painful drama, Donald Miller decided he'd had enough. Impressing people wasn't helping him connect with anyone. He'd built a life of public isolation, yet he dreamed of meaningful relationships. So at forty years old he made a scary decision: to be himself no matter what it cost. From the author of Blue Like Jazz comes a book about the risk involved in choosing to impress fewer people and connect with more, about the freedom that comes when we stop acting and start loving. It is a story about knocking down old walls to create a healthy mind, a strong family, and a satisfying career. And it all feels like a conversation with the best kind of friend: smart, funny, true, important. Scary Close is Donald Miller at his best.

Violence and Maltreatment in Intimate Relationships describes the magnitude, risk factors, and consequences of intimate violence. The text offers a multidisciplinary focus that examines traditional areas of interpersonal violence as well as forms of intimate abuse outside the family. Addressing intimate relationship violence across the developmental lifespan, the Second Edition offers a mix of historical and contemporary perspectives, as well as personal stories and high-profile cases to provide readers with ample opportunity for application of the explanations, research, and data. The authors discuss the professional and social response to violence and maltreatment in intimate relationships (VMIR) to further the understanding of how to treat victims and how to prevent future intimate violence. FREE DIGITAL TOOLS INCLUDED WITH THIS TEXT SAGE Edge gives instructors the edge they need to succeed with an array of teaching tools in one easy-to-navigate website. Intimate Terrorism is a profound and beautifully written exploration of love and power that draws from psychology, literature, popular culture, current events, and the author's own therapeutic practice to examine the contemporary crisis of intimacy--and suggest what we all might do about it. "Extraordinarily well written popular psychology A probing account of contemporary pain".--Kirkus Reviews.

Are you afraid of or unable to create intimacy or closeness with your intimate partner? Do you find that sometimes you create emotional, communicative, or even physical distance from that special someone in your life, even when, deep down, you really don't want to? If so, you share the relationship style psychologists refer to as the distancer. Distancers are often afraid of being engulfed or controlled by their partners. They fear rejection, vulnerability, and dependence. Sadly, they also tend to have short and unhappy relationships. If you want to stop running from love in your life, this book offers a simple, step-by-step approach you can use to move beyond your fear of intimacy and start building strong and lasting relationships. The exercises and self-evaluations in the book will help you become aware of how you operate in romantic relationships. You'll review and reassess your relationship patterns, deciding what changes you want to make in future relationships. Then you'll commit to actions that can make it happen.

Universally acclaimed, rapturously reviewed, winner of the National Book Critics Circle Award for autobiography, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir "gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). "I opened Know My Name with the intention to bear witness to the story of a survivor. Instead, I found myself falling into the hands of one of the great writers and thinkers of our time. Chanel Miller is a philosopher, a cultural critic, a deep observer, a writer's writer, a true artist. I could not put this phenomenal book down." --Glennon Doyle, #1 New York Times bestselling author of Love Warrior and Untamed "Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful." --Washington Post She was known to the world as Emily Doe when she stunned millions with a letter. Brock Turner had been sentenced to just six months in county jail after he was found sexually assaulting her on Stanford's campus. Her victim impact statement was posted on BuzzFeed, where it instantly went viral--viewed by eleven million people within four days, it was translated globally and read on the floor of Congress; it inspired changes in California law and the recall of the judge in the case. Thousands wrote to say that she had given them the courage to share their own experiences of assault for the first time. Now she reclaims her identity to tell her story of trauma, transcendence, and the power of words. It was the perfect case, in many ways--there were eyewitnesses, Turner ran away, physical evidence was immediately secured. But her struggles with isolation and shame during the aftermath and the trial reveal the oppression victims face in even the best-case scenarios. Her story illuminates a culture biased to protect perpetrators, indicts a criminal justice system designed to fail the most vulnerable, and, ultimately, shines with the courage required to move through suffering and live a full and beautiful life. Know My Name will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. It also introduces readers to an extraordinary writer, one whose words have already changed our world. Entwining pain, resilience, and humor, this memoir will stand as a modern classic. Chosen as a BEST BOOK OF 2019 by The New York Times Book Review, The Washington Post, TIME, Elle, Glamour, Parade, Chicago Tribune, Baltimore Sun, BookRiot

She's focused on winning gold. He wants to lose the player tag. Can a fake relationship become something real? Aussie short track skater Holly Travers has one goal - make the Vancouver Games, no matter what it takes. She has no time for distractions, even if they come in the handsome form of her Canadian best friend's twin brother. This hockey player may say he's not a player, but can she trust him? Brent Karlsson has one goal - make his sister's best friend realise he's a changed man and she should give him a chance. When a set-up in Hawaii helps these two opposites realize they have more in common than they thought, what happens when he wants to turn their fake relationship into something real? And how can a relationship work when these two elite athletes never see each other and live on opposite sides of the world? Love on Ice is the second book in the Original Six hockey romance series, a sweet, slightly sporty, contemporary romance series.
