The NBME recently released an “updated May 2018” official “USMLE Step 2 CK Sample Test Questions,” but these are actually completely unchanged over the past two years since the June 2016 update, which was itself almost unchanged from the 2015 set. Since it's been a couple years, I've included the explanations below (which are, again, unchanged).

Exam day - went to the exam centre exhausted as I was sleepless. First 3 blocks were difficult and the remaining blocks were of average . The difficulty of the exam was somewhere between uworld and uwsa2 . I had 2-3 communication questions in every block. I took break every 2 blocks and used all my break time to take small naps.
