With many years of experience restoring fine artworks, photographs, watercolours and drawings, we are proud to have worked with many leading museums, galleries, exhibitors and art dealers across the UK and abroad.

Fine Art Restorers providing Restoration for Fine Art

The conservation and restoration of books, manuscripts, documents and ephemera is an activity dedicated to the preservation and protection of items of historical and personal value made primarily from paper, parchment, and leather. When applied to cultural heritage, conservation activities are generally undertaken by a conservator. The primary goal of conservation is to preserve the lifespan of the object as well as maintaining its integrity by keeping all additions reversible.

Conservation and restoration of books, manuscripts---

Graham Bignell Paper Conservation Founded in 1981, this leading London based studio specialises in the conservation of all archival material and large works on paper and parchment; ranging from posters and maps to prints, drawings, manuscripts, books and original artwork. The studio has a proven track record in handling large-scale projects.
