The basis of the celebrated Paramount  
Network miniseries starring Michael  
Shannon and Taylor Kitsch--Waco is  
the critically-acclaimed, first person  
account of the siege by Branch  
Davidian survivor, David Thibodeau.  
Twenty-five years ago, the FBI staged  
a deadly raid on the Branch Davidian  
compound in Waco, Texas. David  
Thibodeau survived to tell the story.  
When he first met the man who called

# Online Library Place Called Waco A Survivors Story Of

himself David Koresh, David

Thibodeau was a drummer in a local a rock band. Though he had never been religious in the slightest, Thibodeau gradually became a follower and moved to the Branch Davidian compound in Waco. He remained there until April 19, 1993, when the compound was stormed and burned to the ground after a 51-day standoff with government authorities. In this compelling account--now with an updated epilogue that revisits remaining survivors--Thibodeau explores why so many people came to believe that Koresh was divinely inspired. We meet the men, women, and children of Mt. Carmel. We get inside the day-to-day life of the community. We also understand Thibodeau's brutally honest assessment of the United States

government's actions. The result is a memoir that reads like a thriller, with each page taking us closer to the eventual inferno. Originally published as *A Place Called Waco*.

One of nine survivors of the attack on the Branch Davidian compound in 1993 describes how he came to join the religious community and offers an eyewitness account of the tragedy

As a tie-in to the upcoming Paramount Network miniseries starring Michael Shannon, Taylor Kitsch, and Melissa Benoist (starting in January 2018) and commemorating the 25th anniversary of the siege at Waco, TX, comes the critically acclaimed *WACO* by Branch Davidian survivor, David Thibodeau. The book and miniseries have recently been featured in a 20/20 two-hour

# Online Library Place Called Waco A Survivors Story Of

documentary special, Variety Magazine, interviews on NPR, and stories in Entertainment Weekly, TIME, Deadline, and the Boston Globe. For the first time ever, a survivor of the Waco massacre tells the inside story of Branch Davidians, David Koresh, and what really happened at the religious compound in Texas. When he first met the man who called himself David Koresh, David Thibodeau was drumming for a rock band that was going nowhere fast. Intrigued and frustrated with a stalled music career, Thibodeau gradually became a follower and moved to the Branch Davidian compound in Waco, Texas. He remained there until April 19, 1993, when the compound was stormed and burnt to the ground after a 51-day standoff. In this book, Thibodeau explores why so many

## Online Library Place Called Waco A Survivors Story Of

people came to believe that Koresh was divinely inspired. We meet the men, women, and children of Mt. Carmel. We get inside the day-to-day life of the community. Thibodeau is brutally honest about himself, Koresh, and the other members, and the result is a revelatory look at life inside a cult. But Waco is just as brutally honest when it comes to dissecting the actions of the United States government. Thibodeau marshals an array of evidence, some of it never previously revealed, and proves conclusively that it was our own government that caused the Waco tragedy, including the fires. The result is a memoir that reads like a thriller, with each page taking us closer to the eventual inferno.

Only nine people survived the fire that

## Online Library Place Called Waco A Survivors Story Of

followed the FBI assault on the Branch Davidian residence near Waco, Texas in April 1993. In *A Journey to Waco*, survivor Clive Doyle tells the story of how he joined the Branch Davidians, recounts the dramatic events of the ATF raid, the 51-day siege, and the FBI assault, and provides an update on survivors.

Investigation of the raid on the Branch Davidian compound in Waco, Texas in 1993, which resulted in the deaths of over seventy people including leader David Koresh, arguing that the government's actions were more the result of religious prejudice than of any suspicion of illegal activity on the part of the group.

The FBI's chief hostage negotiator recounts harrowing standoffs,

## Online Library Place Called Waco A Survivors Story Of

including the Waco siege with David Koresh and the Branch Davidians, in a memoir that inspired the miniseries Waco, now on Netflix. In Stalling for Time, the FBI's chief hostage negotiator takes readers on a harrowing tour through many of the most famous hostage crises in the history of the modern FBI, including the siege at Waco, the Montana Freemen standoff, and the D.C. sniper attacks. Having helped develop the FBI's nonviolent communication techniques for achieving peaceful outcomes in tense situations, Gary Noesner offers a candid, fascinating look back at his years as an innovator in the ranks of the Bureau and a pioneer on the front lines. Whether vividly recounting showdowns with the radical Republic of Texas militia or clashes with colleagues and superiors

that expose the internal politics of America's premier law enforcement agency, *Stalling for Time* crackles with insight and breathtaking suspense. Case by case, minute by minute, it's a behind-the-scenes view of a visionary crime fighter in action. Praise for *Stalling for Time* "Riveting . . . the most in-depth and absorbing section is devoted to the 1993 siege near Waco, Texas." "The Washington Post" "Captivating . . . an electrifying read . . . No Hollywood movie can top this story for thrills, suspense, or action." "New York Journal of Books" "Certain to fascinate true crime readers . . . The compelling centerpiece of the book is Noesner's analysis of "what went wrong at Waco" with the Branch Davidians." "Publishers Weekly" "An intense, immersive narrative . . . vicariously

# Online Library Place Called Waco A Survivors Story Of

entertaining. Kirkus Reviews

Engrossing . . . The book is also an intimate history of contemporary American militia movements. New Republic

During fifty one days in early 1993 one of the most tragic events in American crime history unfolded on the plains outside Waco, Texas. An obscure and heavily armed religious sect called the Branch Davidians was barricaded inside their commune and outside were hundreds of law enforcement angry because the former had killed four ATF agents in a botched raid. Open the pages of this book and go on an engaging and captivating ride to examine one of the most important true crime stories in recent decades. Read the shocking true story of how a man the government considered a

# Online Library Place Called Waco A Survivors Story Of

psychopath, but whose followers believed to be a prophet, led a breakaway sect of the Seventh Day Adventist Church into infamy. You will follow the meteoric rise of the Branch Davidians' charismatic leader, David Koresh, as he went from an awkward kid in remedial classes to one of the most infamous cult leaders in world history. But the story of the Waco Siege begins long before the events of 1993. At the core of the conflict between the Branch Davidians and the United States government were ideas and interpretations of religious freedom and gun ownership, which as will be revealed in the pages of this book, a considerable philosophical gulf existed between the two sides. David Koresh and the Branch Davidians carried on a long tradition in American and Texas history of religious dissent,

## Online Library Place Called Waco A Survivors Story Of

but in 1993 that dissent turned tragically violent. You will find that beyond the standard media portrayals of the Waco Siege was an event comprised of complex human characters on both sides of the firing line and that perhaps the most tragic aspect of the event was that the extreme bloodshed could have been avoided. The pages of this book will make you angry, sad, and bewildered; but no matter the emotions evoke, you will be truly moved by the events of the Waco Siege.

The 1993 government assault on the Branch Davidian compound near Waco, Texas, resulted in the deaths of four federal agents and eighty Branch Davidians, including seventeen children. Whether these tragic deaths could have been avoided is still

## Online Library Place Called Waco A Survivors Story Of

debatable, but what seems clear is that the events in Texas have broad implications for religious freedom in America. James Tabor and Eugene Gallagher's bold examination of the Waco story offers the first balanced account of the siege. They try to understand what really happened in Waco: What brought the Branch Davidians to Mount Carmel? Why did the government attack? How did the media affect events? The authors address the accusations of illegal weapons possession, strange sexual practices, and child abuse that were made against David Koresh and his followers. Without attempting to excuse such actions, they point out that the public has not heard the complete story and that many media reports were distorted. The authors have carefully studied the Davidian

## Online Library Place Called Waco A Survivors Story Of

movement, analyzing the theology and biblical interpretation that were so central to the group's functioning. They also consider how two decades of intense activity against so-called cults have influenced public perceptions of unorthodox religions. In exploring our fear of unconventional religious groups and how such fear curtails our ability to tolerate religious differences, *Why Waco?* is an unsettling wake-up call. Using the events at Mount Carmel as a cautionary tale, the authors challenge all Americans, including government officials and media representatives, to closely examine our national commitment to religious freedom.

The human story of David Koresh and the Branch Davidians

## Online Library Place Called Waco A Survivors Story Of

What were the beliefs of the Branch Davidians? This is the first full scholarly account of their history.

Kenneth G. C. Newport argues that, far from being an act of unfathomable religious insanity, the calamitous fire at Waco in 1993 was the culmination of a long theological and historical tradition that goes back many decades. The Branch Davidians under David Koresh were an eschatologically confident community that had long expected that the American government, whom they identified as the Lamb-like Beast of the book of Revelation, would one day arrive to seek to destroy God's remnant people. The end result, the fire, must be seen in this context.
