Public Finance , Volume 1 - S.N. Chand - Google Books

The voluntary public financing program matches small-dollar contributions from individuals who reside in New York City, helping to amplify the voices of New Yorkers in city elections. A \$10 contribution from a NYC resident to a participating candidate in the 2021 election could be worth as much as \$90 to their campaign.

How It Works | New York City Campaign Finance Board

Public finance is the study of the role of the government in the economy. It is the branch of economics that assesses the government revenue and government expenditure of the public authorities and the adjustment of one or the other to achieve desirable effects and avoid undesirable ones. The purview of public finance is considered to be threefold, consisting of governmental effects on:

Public finance - Wikipedia

Weprin is again participating in the city public matching funds program, which will match the first \$250 of each qualifying contribution for a citywide candidate at an 8-to-1 ratio. As of July 11, the last campaign finance filing deadline, he had raised about \$172,526, spent \$28,344 and had \$144,182 in his campaign account.
