The Language of the Birds is a masterpiece of Eastern Turkish literature (now Uzbek), and was written by one of Central Asia's most prominent poets, Alisher Navoi, shortly before his death in 1501. The story begins with the birds of the world realizing they are far from their king

Download Ebook Sharq Mutafakkirlarining

and so they begin their arduous journey with the assistance of the wise bird Hoopoe as their guide. Hoopoe listens to their complaints and excuses along the way and encourages them to seek true life even though the journey is sometimes painful. This epic poem in prose form contains many anecdotes and stories from the oral history of the Silk Road and Islam. Through this story, people are exhorted to rise above any excuse they might have in their spiritual pilgrimage. Alisher Navoi (1441-1501) is renowned in Central Asia for his numerous writings and lasting influence in Uzbekistan as well as the contemporary Central Asian republics. In modern Uzbekistan, Navoi is revered above all other poets and his presence is still found in streets, museums, and even a province and

city are named after him. His proverbs are found throughout Central Asia and he is considered the father of the Uzbek language. His words for peace and against oppression are as timely today as they were 5 centuries ago. Nava'i lived in Herat, Afghanistan. His writings, endowments, and his life example have had lasting influence in Central Asia. In *The Language of the Birds*, we are introduced to what Nava'i thought is important in life. It is a world of love that goes beyond the rational and is ready to endure anything for the beloved. This book is for anyone who values great historical literature, as well as those needing inspiration in his or her own pilgrimage in life.

This book provides valuable insight into the nature and the background of

the subject of Psychology. Designed basically as a textbook for general psychology courses of Indian universities, it will also prove useful to those working in the disciplines of sociology, education, social work and social sciences. The subject matter in the text has been presented in such a way that it can be easily grasped by a beginner and appreciated by an advanced reader.

Abu Bakr Muhammad ibn al-Narshakhi of Bukhara wrote the history of his city and presented it to the Samanid ruler Nuh ibn Nasr in 943 C.E. (A.H. 332). This is the only book he is known to have written. Narshakhi's History of Bukhara is unusual among histories of Middle Eastern cities because it provides a broad and perceptive overview of urban life of the time, as

Download Ebook Sharq Mutafakkirlarining

opposed to the standard biographies of religious leaders. Richard Frye's translation from the Persian presents an engaging, readable narrative that recreates the lively intellectual and commercial life of this vibrant ancient city. In the tenth century, Bukhara was a cultural center that rivaled Baghdad, and was known as "the dome of learning in the East." It was a dynamic metropolis, capital of the semi-independent dynasty that ruled most of present-day Iran and Central Asia. It was in Bukhara that the so-called Persian Renaissance began, with its far-reaching literary implications. Narshakhi portrays not only rulers, but also everyday life in cities and villages. This primary source affords insights into life in Eastern Iran and Central Asia during a period of change in the Islamic world. TAbout

Richard Frye: Richard N. Frye, Harvard University, is the author of The Heritage of Central Asia, Ibn Fadlan's Journey to Russia, and numerous other books.

Emma Hamilton is renowned as the real-life heroine of the greatest love story in British history, as legendary for her beauty as for her passionate love affair with Britain's greatest hero, Lord Horatio Nelson. Amanda Elyot breathes new life into this remarkable woman, in what might have been Emma's very own words. The impoverished daughter of an illiterate country farrier, young Emily Lyon sold coal by the roadside to help put food

on the family's table. By the time she was 15, she had made her way from London nursemaid to vivacious courtesan, and continued a meteoric rise through society, rung by slippery rung, to become the most talked-about woman in all of Europe, mistress of many tongues, a key envoy in Britain's and Italy's war against the French, and confidante to a queen. This novel, inspired by her remarkable life, recounts Emma's many extraordinary adventures, the earth-shattering passion she eventually found with Lord Nelson, and how they braved the censure of king and country, risking all in the name of true love. "A thoughtful retelling of the life of a common-born beauty and her infamous love affair with Admiral Lord Nelson." Susan Holloway, author of *Duchess* "An energetic portrait of a unique historical

Developing Tests and Questionnaires for a National Assessment of Educational Achievement is the second in the National Assessments of Educational Achievement series. It is designed to help build capacity in carrying out technically adequate assessments of national levels of student achievement. It introduces readers to the activities involved in the development of achievement tests, and includes developing an assessment framework, writing multiple choice and constructed response type items, pretesting, producing test booklets, and handscoring items. A section on questionnaire construction feat.

This textbook has been designed to

emphasize the differences between languages and how this affects the translation of a text from one language into another. It is based upon the principle that the translator must first know the meaning of the source text before he can translate it into the receptor language. Meaning is presented as a structure which stands behind any text. Meaning-based, rather than form-based, translation is the goal of the textbook.
