The book Tastes of Paradise by Wolfgang Schivelbusch is devoted to the history of human preferences in food and beverages. In addition, the author tries to link the food preferences of people at different periods of time to the social changes and historic events. The aim of this essay is to analyze whether the stimulants tasted by people change our social class and history.

Taste of paradise - 815 Words | Essay Example

First published in Germany in 1980, this elegantly trim and readable inquiry is the final volume (after The Railway Journey and Disenchanted Night—neither reviewed) of social-historian Schivelbusch's musings on the origin of modern industrial consciousness. Here, Schivelbusch explores the social meanings of the substances denoted by the German word " Genussmittel," a term applied to ...
